When Choosing Tadhg Keady as your wedding photographer you get a wealth of experience that not many can match. Tadhg has photographed weddings in Galway, Connemara and the surrounding areas for over 20 years and knows all the local scenic locations and how best to include them in your wedding day schedule. Tadhg believes in providing a mixture of styles in each album. He will get the most out of your special day and leave you with a volume of superb images.

Photoshoot Plan

1. *Brides Home (Optional at no extra cost if Home is resonalble distance from Ceremony)*
Tadhg will attend at your Home to capture some candid images of the last few minutes of preperation and if time allows this is a good time to gets some personal Family and friend photos.
2. *Ceremony*
Every Ceremony is unique and Tadhg has worked on many various types throughout his twenty year career. Photographs are taken discreetly through the ceremony and all the key parts are shot in the professional manner you would expect.
3. *Bridal/ Family Photoshoot.*
Careful planning and allowance of a reasonable amount of time for Photography will make this Phootshoot something special. While Tadhg is taking Reportage style shots throughout the day it is at this time his best Classic Style images are created. Every bride wants that special image that will last the test of time and that can be printed as a wall portrait and published in Wedding Magazines etc. The ‘must have’ family portraits are taken quickly after the ceremony an then as much time as you can allocate is spent with the Bridal Party in a Woodland, Beach, Castle, University or other local scenic location.
4. *Hotel pre- Dinner Photoshoot*
This is a great time to catch up on the Family and Friends photos that were missed earlier. In the relaxed athmosphere of the Hotel (or Marquee) Tadhg will mingle with your guests to capture more happy memories. Many Hotels provide an excellent Indoor and Outdoor backdrop for Bridal Portraits and allocating some time to this will greatly enhance your Album.
5. *Speeches/ First Dance (Optional extra €400)*
The Standard Wedding Photoshoot finishes before you sit down to the meal but you can avail of the option to have Tadhg stay with you until the First dance to capture photographs of guests at the tables, Speeches and the first dance. The extra photographs taken during this session will complete a superb album.

All Wedding Packages include

1. A Bound A4 proof book of 200+ images (images shot on the day vary from 200 – 500 depening on your ceremony type.)
2. All images are uploaded to a password protected website for you and your families and friends to view for up to one year.
3. Mileage / Travel expenses are included for weddings in a 80Km (50Mile) radius of Galway. An extra charge will apply for weddings outside of this area.
4. A Disk of Hi Quality images of all Album photographs is supplied free of charge with the Album. (Note: images not included in the Album are available as Hi Quality images on Disk at the following prices – 1-20 @ €15ea. ; 21 – 50 @ €12ea. ; 51+ €10ea.)
